## Stud Service Agreement

Sire: IntCh CiaoBella Cupid Augustus Cornelius Follows Romeo, THDN, BN, RA, RN, CGCA

AKC #: SS03968508 Color: Yellow Stud Fee: \$1,500

Service Fee: \$600.00 is due at the time of first shipping/mating event, this fee is non-refundable. In the event that you do not get a litter (two puppies constitutes a litter), no further money is due. You are also not obligated to repeat the breeding. Balance of the stud fee is due within 7 days of the litter's birth date. A late fee of \$50.00 is due if the fee is paid late. Service fee available only in USA and Canada to breeders who plan to utilize progesterone testing for their timing. Stud Service only available to approved dams. Provide AKC Registration Certificate, AKC Pedigree, stack picture, head shot picture, and health clearances (OFA hips, OFA elbows, Most recent eye Cerf., EIC, PRA, CNM, Cardio, Non-Dilute). Puppies produced cannot be sold, given to, or otherwise transferred to any retail outlets, auctions, dilute breeders, brokers, or known puppy mills. ALL puppies are to be sold on a Spay/Neuter Contract with AKC Limited Registration, unless they are kept/owned or co-owned by bitch owner or are sold to a mutually approved (Stud owner & Bitch owner must both approve) Show/Breeding home. The stud dog owner holds NO responsibility for the whelping, care, overall health or general condition and wellbeing of the litter. The owner/caretaker of the brood bitch agrees to provide adequate care for her and all puppies.

1. Dam owner to pay \$75.00 for shipping and extender kit per shipment in addition to Stud Fee
2. Stud fee entails only up to two breeding events, unless other arrangements are made in advance
3. There is a \$150.00 charge for each additional semen collection event after the initial two collection events. If semen needs to be shipped another \$75.00 is also due for the additional box/extender. (\$225.00)
4. All Shipping must be paid in advance with either a Fedex account number or credit card/paypal.
5. CiaoBella Retrievers is not responsible for any part of the shipping charge, loss of semen during shipping or late arrival. We suggest that you insure the shipment in order to recover some of your costs should the shipment get lost.
6. Dam must be ovulation timed by progesterone testing.
7. A negative Brucellosis test must be present with the dam at the time of a side-by-side breeding and/or completed at the time of AI.
